I think that's right, and we would have to alert Altria guys which might be awkward: they might then want to add someone.

Hi Mary,

10am works perfectly.

This is to confirm 10am on Nov. 9th at the Park Hyatt Hotel in NY.

Would you like me to see about arranging meeting space or is that something you have coordinated already?

Thanks very much
Enza

Billy: thanks for the fast response. How about Thursday Nov 9 in NY, maybe at the Park Hyatt? We will have just had a board meeting and will be armed with current information. We will keep your list in mind and will share what we can with you when we are together.
Best wishes,
Nick

Nick,

We appreciate the dates; however, those two days happen to be when we are having our investor day conference this year. We will be unavailable both days. We are available on Nov. 3rd or any day the week following Nov 6th-10th. Let me know if any of those days could possibly work for you guys.

Additionally, the areas of questions we referred to on our previous phone conversations would be as follows:

Financials (Historical and future plans)
Regulatory assessment
Manufacturing capacity and Production Forecast
Internal Capability assessment (R&D and management)
Product/technology pipeline
Intellectual property portfolio

I realize the depth of conversation is dependent on how comfortable you guys will be sharing information in these areas.

We look forward to hearing if any of the dates above work. We can do it in New York or San Francisco.

Best regards,

Billy

Billy/Howard: We can all be in NY on Nov. 1st or 2nd if either of those days might work for you to get together.

Please let us know if that is convenient, and what the best times would be for you.
